STOCK EXCHANGE

PERSIA INCIDENT

New Year on Wall Street Begins With Misgivings; Oil Shares Spectacular Feature in Day's Trading.

BY MORNING JOURNAL SPECIAL LEADE WIRE

New York, Jan. 3.—On the stock exchange, the new year began with some misgivings, in consequence of the sinking of the British liner Persia, and the further activities of the Turk naval forces.

Oil shares, more particularly Mexican petroleum, which led last week's buoyant rise, were once more the spectacular features, Mexican making a maximum gain of 6½ points at 125½. This represents an advance of almost 22 points over its final quotation of a week ago. Associated Oil registered a total gain of 4 at 77, and Texas company came within striking distance of its record on the advance of 2 to 225½.

United States Steel was fairly steady after the first hour of uncertainty, closing at 88½, a net loss of ¾. Metal shares were conspicuous.

The entire railway list denoted pressure at times, except St. Paul and the trans-continentals.

Bonds closed firm, after some concessions in speculative issues. Total sales of bonds, par value, aggregated \$4,100,000.

American French 5's were quiet but steady, in contrast to German and Austria-Hungarian bonds.

United States bonds were unchanged on call.

## CHICAGO BOARD OF TRADE.

Chicago, Jan. 3.—Heavy enlargement of the United States visible supply total gave a setback today to the wheat market here. The outcome was a weak close at 1½ to 2½ to ¾ cent decline with May at \$1.22½ and July at \$1.16½. Corn lost 1½ to ¼ to 1½ cts and oats ¾ to 1½ cts. Provisions finished unchanged to 1½ higher.

Foreign buying of future deliveries helped a good deal to check declines in the wheat market and to cause some upturns from the low point of the day.

Corn sagged with wheat, favorable weather and increased arrivals tended also to weaken the market.

Oats developed some strength. A favorite theory was that oats was at too large a discount as compared with corn.

For general buying put firmness into provisions. The increase in receipts of hogs appeared to have little if no effect.

**GENERAL.**

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—so you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salt is made from the acid of grapefruit and lemon juice, combined with lithium, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this also keep up the water drinking and no doubt you will wonder what became of your kidney trouble and backache.
